

# Mephistopheles

Deicide

Invective death, from the hand  
To write the book of evil  
Terminus of the overture  
Recite the role of power

Schizophrenic reflex, vesicate, mut(i?)late  
Refuse the force on which you die  
Myrmidon of Goethe  
Abortion of angels that flee for their lives  
Animated onslaught(t?), expectorated discharge  
Elegy of evil, visions of light for thou has forgotten

Adulating scripture, dominate, terminate  
Fascist(?) author of Gods  
Drubbing of his light fears  
Bring forth the atheist, sent to inseminate  
Aggtavated blasphemere, insurrected one to tell  
Power through defile  
Mephisto is coming to claim mme for hell  
Satan.  
Take me MEPHISTOPHELES

Insurrect the shield of Satan  
Grant me immortality  
To rise
