

Mindmachine

Deine Lakaien

Waterfall, waterfall
Running down the hill
Waterfall, waterfall
Running down the hill
Running down from soul
Following my will
Running down from soul
Following my will
Mindmachine, mindmachine...
Riverside, riverside
under an orange sky
Riverside, riverside
under an orange sky
Fading to black and white
Passing passing by
Mindmachine, mindmachine...
Ocean wide, ocean wide
calming down at last
Ocean wide, ocean wide
calming down at last
Listening to the changing tides
Drawn to the past
I feel drawn to distant places
Drawn to the past
Mindmachine, mindmachine...
