

Paradise Lost

Delta Heavy

Dark nights, eyes glazed
Great heights, led astray
Flashing lights, empathy
Purple haze, 2CE

Dark nights, eyes glazed
Great heights, led astray
Out of sight, out of mind
Lost control, out of time

Out of sight, out of mind
Lost control, out of time

Dark nights, eyes glazed
Great heights, led astray
Flashing lights, empathy
Purple haze, 2CE

Dark nights, eyes glazed
Great heights, led astray
Out of sight, out of mind
Lost control, out of time
