1. I'm standing in the center of the room
I watch the boys follow girls perfume
All is as it should be I assume
Except for the distance between me and you
2. You're standing as a flower on the wall
The room is still but we're about to fall
And all the names that brought us here
Simply fade away

R1: Who you are is falling over me
(Who you are is falling over me)
Who you are is everything I need
(Who you are is everything I need)
I'm hoping, I'm waiting
I'm praying you are the one
I'm hoping, I'm waiting
I'm praying you are the one

3. I can't believe that
night turned into today
I used the line you
were supposed to say
And all the names that
brought us here
Now we have to thank
(hraje se jako 2. sloka)

R1: Who you are is falling over me...

R2: If you are I will wait I will follow
I'm here to stay, as long as we're
promised tomorrow I promise you
today... I'll wait... I'll wait

R3: Who you are is falling over me
(Who you are is falling over me)
Who you are is got me on my knees
(Who you are is everything I need)
I'm hoping, I'm waiting
I'm praying you are the one
I'm hoping, I'm waiting
I'm praying you are the one

You are the one...
