

Mongoloid (Devo cover)

Demolition Hammer

Mongoloid - He was a mongoloid
Happier than you and me
Mongoloid - He was a mongoloid
And it determined what he could see

Mongoloid - He was a mongoloid
One chromosome too many
Mongoloid - He was a mongoloid
And it determined what he could see

And he wore a hat
And he had a job
And he brought home the bacon
So that no one knew

He was a mongoloid - Mongoloid
His friends were unaware
Mongoloid - He was a mongoloid
Nobody even cared

Mongoloid - He was a mongoloid
One chromosome too many
Mongoloid - He was a mongoloid
And it determined what he could see

And he wore a hat
And he had a job
And he brought home the bacon
So that no one knew
