Love the way you move me
Love the way you groove me
I believe in rock and roll
You're standin' in the door girl
Holdin' down the floor girl
Come on and rock and roll
So what's wrong with you girl
What's wrong with being crazy
Can't live with you
So I think I'll live without you
Play my rock and roll
Your words drip with honey
While you spend my money
It's funny to watch you girl
So what's wrong with you girl
I'm gone I'm gone
I'm gone I'm gone
It ain't very funny
How you spend all my money
I'm gone I'm gone
I'm gone I'm gone
Do what you want to but baby don't you do it on me
Your mama thinks I'm crazy
Your papa says I'm lazy
Cause I play my rock and roll
My head's gettin' hazy
My knees are gettin' shaky
From playin' my rock and roll
I'm gone I'm gone
Saved by rock and roll
I'm gone I'm gone
I'm gone I'm gone
It ain't very funny
How you spend all my money
I'm gone I'm gone
I'm gone I'm gone
Do what you want to but baby don't you do it on me
```

I'm gone I'm gone
I'm gone I'm gone
