Never Let Me Down Again

Depeche Mode

- 1. I'm taking a ride
 With my best friend
 I hope he never lets me down again
 He knows where he's taking me
 Taking me where I want to be
 I'm taking a ride
 With my best friend
- R: We're flying high
 We're watching the world pass us by
 Never want to come down
 Never want to put my feet back down
 On the ground
- 2. I'm taking a ride
 With my best friend
 I hope he never lets me down again
 Promises me I'm as safe as houses
 As long as I remember who's wearing the trousers
 I hope he never lets me down again
- R: Were flying high...
- *: Never let me down
 Never let me down
 Never let medown
 Never let me down
 See the stars they're shining bright
 Everything is al
 right tonight...
