A New Law

Derek Webb

Don't teach me about politics and government Just tell me who to vote for Don't teach me about truth and beauty Just label my music

Don't teach me how to live like a free man Just give me a new law

I don't wanna know if the answers aren't easy So just bring it down from the mountain to me

I want a new law
I want a new law
Gimme that new law

Don't teach me about moderation and liberty I prefer a shot of grape juice

Don't teach me about loving my enemies

Don't teach me how to listen to the Spirit Just give me a new law

What's the use in trading a law you can never keep For one you can that cannot get you anything Do not be afraid
