

This I Know

Desperation Band

Who has stretched out the skies like a canvas
Who has scooped up the oceans with his hands
Who has measured the hills from the mountains
You have

Who has given us beauty for ashes
Who has broken the chains of the captives
Who has rescued our lives with compassion
You have

This I know You are a great God
This I know You are a great God
This I know You are the one true God
You are a great God

Who is breaking the curse of injustice
Who is calling the nations to Jesus
Who is King of this world let us shout it
You are

This I know You are a great God
This I know You are a great God
This I know You are the one true God
You are a great God
