

# Awaken

Dethklok

(Musta-Krakash)  
(Musta-Krakash)  
(Musta-Krakash), The time has come.  
(Musta-Krakash), to awaken him  
(Musta-Krakash)  
(Musta-Krakash)  
(Musta-Krakash), I call upon the ancient lords of the underworld,  
(Musta-Krakash), To bring forth this beast and,

Awaken, awaken, awaken, awaken,  
Take the land, that must be taken.  
Awaken, awaken, awaken, awaken,  
Devour worlds, smite forsaken

Rise up from your thousand year-old sleep,  
Break forth from your grave eternally.

I command you to rise, rise, rise, rise,  
rise, rise, rise, rise.

I'm the conjurer of demons,  
I'm the father of your death.

I bring forth the ancient evil,  
I control his every breath.

I instigate your misfortune,  
With the birth of killing trolls.

I awaken armageddon,  
Feeding on a thousand souls.

Awaken,  
Awaken,  
Awaken,  
Awaken,

Musta-Krakash, (musta)  
Musta-Krakash, (musta)  
Musta-Krakash, (musta)  
Musta-Krakash, (musta).

Musta-Krakash, (musta)  
Musta-Krakash, (musta)  
Musta-Krakash, (musta)  
Musta-Krakash, (musta).

Awaken, awaken, awaken, awaken,  
Take the land, that must be taken.  
Awaken, awaken, awaken, awaken,  
Devour worlds, smite forsaken

Rise up from your thousand year-old sleep,  
Break forth from your grave eternally.

Weak will die and land will all be burned  
Musta-Krakash king and death to worlds.

I command you to  
Rise, rise, rise, rise, rise, rise, rise, rise,  
Rise, rise, rise, rise, rise, rise, rise, rise,  
And awaken.
