

## Face Fisted

Dethklok

I am be dangerous now  
Not me hurt  
When stairs fell down  
Me pushed by you  
Me hit head  
Me nose broke  
Soon you be dead  
Soon you be dead

So strong my face is  
You punch break fingers  
Kick me you're limping  
Stab me you're bleeding  
I am be dangerous now  
You throwing rock at me  
Hit eye and it no hurt me  
I'm strong  
You're not  
You're not

I'm making time for fighting  
I'm clearing time for hitting  
We'll meet and I will beat you  
Our schedules permitting  
I pick out fighting outfit  
Don't want my pants too tight  
Need clothes to breath to beat you  
You'll be beaten down tonight

I'm so fucking tough  
I'm so fucking tough  
That's right  
I'm so fucking tough  
I'm so fucking tough  
That's right  
You're an ugly man  
You're as dumb as sand  
Your mom's fucking fat  
Your mom blew a rat  
You are a mistake  
You have sex with cake  
You think you're so tough  
You're a living bluff  
I will put you down  
I will make you drown  
I will make you bleed  
I am filled with speed  
I cannot feel pain  
I might be insane  
I am victory  
I write history  
Feel my fist  
On your face  
You hate this  
I feel great

One, two, three, four

Five, six, seven, eight  
One, two, three, four  
Five, six, seven, eight

So strong my face is  
You punch break fingers  
Kick me you're limping  
Stab me you're bleeding  
I am be furious now  
You say the bad word at me  
You pull a string and trip me  
I fall down  
You run  
You run

I am making time for fighting  
I think it's time to beat you  
I think it's good decision  
That I destroy and teach you  
You put on very fast shoes  
And try to run away  
I'm very strong and fast though  
You're going down today

You're so fucking weak  
I'm so fucking strong  
That's right  
You're so fucking weak  
I'm so fucking strong  
That's right  
You're so fucking weak  
I'm so fucking strong  
That's right  
You're so fucking weak  
I'm so fucking strong  
That's right
