## I Tamper with the Evidence at the Murder Site of Odin

## Dethklok

You investigate the murders At the gates of Gods I tamper with the evidence at Odin's murder site I can swim through time I can't be killed I have no way to die You will hunt through life The physics of this world Can't stop my crime Draw your sword I'll meet you at the battle rock Space will see me through I can't be killed I have no way to die Spheres within this range Will be my path my energy ignites Parasite Ultra-violent porthole Fasten straps Helmet frigid wormhole DETH in you Déjà vu Mammoth view Time will twist your soul You spin Your blood goes thin Your marrow burns Your veins behind to burst The speed it hurts and hurts And strains your brain As you spin forth through time You meet yourself for one brief moment In an eclipse and watch you DIE Your guts explode as you erode You broke the code the riddles solved You made the trip You have evolved You're the eclipse You are a God
