

# The Depths of Humanity

Dethklok

Please heed my warning  
before you enter here.  
This is a den of resentment and jealousy  
inside is all that you fear.  
Stay close and keep your eyes open.  
The ghosts of your past you will meet.  
The failures of life they congregate here.  
If they bring you down you will be beat.  
Beware.

Uh fuck you.

Oh my god, our old manager.

Oh my god, those old groupies.

Ohs my Gods, my old guitars teachers

A douchebag nightmare!

You were supposed to help me cause I helped you.  
Where is my reward?

Sorry!

I taught you all the scales and vibrato.  
You toss me overboard.

Ohhhh

I slept with you all and fed you like kings  
and you treat me like a whore.

Look at you now.  
You're all such big shots.  
I hope you brought your cash.

Cause you owe us all for your success  
and we're gonna take it back.

We needs to find where's Toki's hidden.  
Let's finds a clue and thens we'll leave this land forbidden.

This is bumming me out  
this is bumming me out  
this is bumming me out  
this is bumming me out.

Mr Murderface,  
you're the only one we welcome here.  
You're not like the rest of them.  
You're better than the best of them  
and I'm your biggest fan I hope that's clear.

Ow.

Sorry.

Planet Piss is my favorite band.  
I consider you a king of this land.  
I hope you let me take your hand  
and offer you a beer because  
I think you know that deep down  
you belong with us down here.

So nice to be appreciated.

We needs to finds a clue.  
I'll look if you do too.  
There's something on the wall.  
I think I know where he is.

You should be ashamed of yourselves  
you should be ashamed (8x)

Just grabs him now.

Let's get out!

That's the worst thing I've ever known.

Angry broke people who think that they're owed.

Hold ons everybodys I've got something you should know.  
I found this flyers on the walls inside.  
I believes I knows where Toki ams imprisoned.  
Our old practice space about a miles away  
where Toki had his first auditions.
