

## Suds & Soda

dEUS

Your head come on is dead and gone it might as well be said so  
long  
It's suds and soda a brain decoder and can I wait for my decode  
r  
Get off get up you son of pop the light below is bright on top  
It's suds and soda a smile decoder and can I get yeah what I or  
dered?  
And there's always something in the air, sometimes, suds & soda  
mix ok with beer  
Can I, can I break your sentiment  
You're just a monument, can't see no precedent  
Just wanna shout what the fuck  
Jimmy Dean is Halloween like kerosene for dee dee scene  
It's suds and soda a brain decoder and can I skip this thing I  
ordered  
Get off get up you son of pop the light below is bright on top  
It's suds and soda a vibe decoder and can I get yeah what I ord  
ered?  
And there's always something in the air, sometimes, suds & soda  
mix ok with beer  
Can I, can I break your sentiment  
(To me) you're just a monument, can't see no precedent  
Just wanna shout what the fuck  
And there's always something in the air  
Your face come on is dead and gone, you might as well be said s

Get off get up you son of pop the light below is bright on top  
It's suds and soda a smile decoder and can I skip yeah what I o  
rdered?  
And can I break your sentiment?  
So can I break your sentiment, so can I break your sentiment  
So can I break your sentiment, so can I break your sentiment  
So can I break your sentiment, so can I break your sentiment  
So can I break your sentiment, so can I break your sentiment
