

Can't Help But Smiling

Devendra Banhart

Mama ain't it wild when
You can't help but smiling
What fun to not know why
We're lost in the only thing
Truly worth getting lost in
It's so nice to think you're alone
And to look up and see a home

Mama ain't it wild when
You can't help but smiling
Mama ain't it wild when
You can't help but smiling

You can't help but smiling
You can't help but smiling
You can't help but smiling
