Seams

Devin Townsend Project

I love you, confuse you

-Maybe push you too far

Don't worry, unleash me

Thats song...that song

Come near me, relieve me

Protecting my heart

How crazy? ...completely.

But that's all, thats all.

...that song

Calm down, I'm falling apart at the seams

(Hold your head up and go your own way...)

Calm down, I'm falling apart at the seams
