

# Numbered!

Devin Townsend

Ah, we are numbered,  
We are numb, we are not alone.  
Ah, we are numbered.  
We are numb, we are numb...  
All the world's been waiting for a photograph.  
All the time we've waited for a sign.  
It'll soon be over, all I want is honesty.  
It'll soon be over, all we've got is time.  
Ah, we are numbered, we are numb, we are not alone!  
Ah, we are numbered, we are numb, we are numb.  
So we search for home  
Only God knows God.  
I'm alright to fly!  
Only we both know we never once were right...  
But we tried.  
Say it!  
Ah, we are numbered, we are numb, we are not alone!  
Ah, we are numbered, we are numb, we are numb.
