

# Sunshine and Happiness

Devin Townsend

Say you never needed me to warm you...  
Say you never needed it at all  
Say that when you're warm under the covers  
Say you never think of me at all

She's a girl, not a lady!  
I'm delayed by the weight of the world!  
..if you say it's up to me to make the call,  
Well I would say sunshine and happiness for all!!!

Baby when I tell you that I want you...  
'ooh Yeah, Ooh Yeah, Ooh Yeah, Ooh Yeah, Oh Yeah!!!'  
As the days roll by and the reasons why still Never seem quite  
clear,  
'doo wop body, doo wop body bow...hooray!'

She's a girl, not a lady!  
I'm delayed by the weight of the world!  
...if you say it's up to me to make the call,  
Well I would say sunshine and happiness for all!!!

Sunshine And Happiness For All!!!  
Sunshine And Happiness For All!!!  
Sunshine And Happiness For All!!!
