

## Faceless

Diablo

am no-one  
I am no-one to judge you  
who cannot read between their lies  
Oh, I can't blame you

They're hiding into the shadows  
of those words  
Guiding you into the sea of lies  
Never telling you  
who is god of all this misery

I am no-one  
I am no-one to take the  
pain away from your soul  
Wake up and open your eyes

WAKE UP!

Faceless  
You will hate yourself  
Faceless  
In the end of the line you will see

I am no-one  
I am no-one to save you  
But I still can't understand why  
they have done this to you
