

## Here I Go Fallin'

Diamond Rio

Yeah I'm lookin'...Aint' everybody lookin'  
For that one of a kind, one in a million  
Match made in heaven that we all know  
Probably don't exist, what's that...  
Yeah I'm a little jaded, over it, cynical  
Maybe even a little bitter about all the chances I've missed

'Cuase I've seen it all come and go before  
I'm sure I'll see it again  
But if I thought for one instant it might be love  
I'd be the first one jumpin' in

Here I go fallin'  
The minute love starts callin'  
Here I go fallin'  
For all it's worth, for better or worse  
Like I've never been burned and I won't get hurt

Yeah I know it's kinda fast, I only met her last night  
So what makes me think this one's gonna be any different?  
Let's just say I've got a real good feeling about it  
Is it meant to be? Do I think it's gonna last?  
Don't ask me, I ain't going there, I ain't touching that  
But I'll tell you this

Everytime I get close to her  
I can't think of nothin' else  
She's in every thought, every dream I ever dream  
I can't stop myself

Here I go fallin'  
The minute love starts callin'  
Here I go fallin'  
For all it's worth, for better or worse  
Like I've never been burned and I won't get hurt

It was sure nice talkin' to you but I really gotta run  
'Cause I think I finally found her man---Here she comes

Here I go fallin'  
The minute love starts callin'  
Here I go fallin'  
For all it's worth, for better or worse  
Like I've never been burned and I won't get hurt
