

## Don't Explain

Diana Ross

Hush now, don't explain  
Just say you'll remain  
I'm glad you're back  
Don't explain

Quiet, don't explain  
What is there to gain?  
Skip that lipstick  
Don't explain

You know that I love you  
And what love endures  
All my thoughts are of you  
For I'm so completely yours

Cry to hear folks chatter  
And I know you cheat  
Right or wrong, don't matter  
When you're with me, sweet

Hush now, don't explain  
You're my joy and pain  
I'm glad you're back  
Don't explain

You know that I love you  
What love endures  
All my thoughts of you  
For I'm so completely yours

Cry to hear folks chatter  
And I know you cheat  
Right or wrong, don't matter  
When you're with me, sweet

Hush now, don't explain  
You're my joy and pain  
My life's yours, love  
Don't explain
