- Likea ghost don't need a key Your best friend I've come to be Please don't think of getting up for me You don't even need to speak
- 2. When I've been here for just one day You'll already miss me if I go away So close the blinds and shut the door You won't need other friends anymore
 - Oh don't leave home, oh don't leavehome
- R: If you're cold I'll keep you warm
 If you're low just hold on
 Cause I will be your safety
 Oh don't leave home
- 3. And I arrived when you were weak I'll make you weaker, like a child Now all your love you give to me When your heart is all I need
 - Oh don't leave home, oh don't leave home
- R: If you're cold I'll keep you warm...
- 4: Oh how quiet, quiet the world can be When it's just you and little me Everything is clear and everything is new So you won't be leaving will you
 - Oh don't leave home, oh don't leave home
- R: If you're cold I'll keep you warm...
