

# Worthless

Dido

Know what you came for  
And I know when you'll leave  
You came for my heart  
And it's lost to me

For I won't stop you  
I will open my door  
My heart is here waiting  
I don't need it no more

I know why you're leaving  
And I'll just let it be  
I am left w/ nothing  
And now you're lost to me

For I can't stop you  
I will open my door  
My heart is here waiting  
I don't need it no more

I know why you're waiting  
To give me time to breathe  
Before you take my heart now  
Just get up and leave

For I won't stop you...

For love makes a fool of me  
for love makes a part of us  
you know it's worthless, as worthless can be  
for love makes a fool of me  
for love makes a part of us  
you know it's worthless, as worthless can be  
It's worthless, worthless  
Can't be
