Die Apokalyptischen Reiter

Can you feel the power of this song The energy it is giving you Brothers united in mind Cause Metal is our law.

HEAVY METAL is our law HEAVY METAL we are proud and standing tall / we'll never fall HEAVY METAL is what we feel HEAVY METAL harder than steel

Proud 'n Free like will of steel Our hearts are as pure as the silence of a night We are brothers of METAL united in fight Cause METAL is our law

Listen to your hearts they don't defraud you This shall be our fighting song Even the world is black and hope gets lost We'll stand together until the end of time

Our life belongs to Heavy Metal Our fight applies to its enemies We'll fight for our right To live like we want.
