

Distant Shore

Dierks Bentley

Everyday I swim an ocean, fightin your memory like endless wave
s
I surrender to the truth, I'll always love you, but I know some
day
I'm gonna reach the banks of a distant shore, where I won't mis
s you anymore

Once in a while I ride the river, of whiskey wishes from an old
shot glass
But the way it used to be follows me downstream, so I keep knoc
kin em back
Till I reahc the banks of a distant shore, where I won't miss y
ou anymore

Someday I'm gonna get there, It migfht take my last prayer

One of these days I'm gonna cross that ocean, some sweet angel w
ill set me free
And they'll tell my stories, sing a song about glory, and read
Psalm 23
When I reach the banks of that distant shore, where I won't mis
s you anymore

Gonna rest my soul in the hands of the lord, where I won't miss
you anymore
