I'd lose my way and I'd lose my mind
If I faced one day on my own
I know I was saved
The night that she gave this drifter's heart a home

Every night I should be on my knees Lord knows how lucky I am I'll never say near enough Thank God for this woman, Amen

This world has a way of shaking your faith I've been broken again and again
But I need all the cracks in my shattered heart
Cause that's where her love gets in

Every night I should be on my knees Lord knows how lucky I am I'll never say near enough Thank God for this woman, Amen

She gives me faith
She gives me grace
She gives me hope
She gives me strength
She gives me love
Love without end
Thank God for this woman, Amen

Thanks for the moon and the stars up above Forgiveness' a sin in your undying love Every twist every turn for the way you made sure All my roads led to home

So tonight I will fall down on my knees Cause Lord knows how lucky I am I'm gonna shout at the top of my lungs Thank God for this woman, Amen And thank God for this woman, Amen

She gives me faith
She gives me grace
She gives me hope
She gives me strength
She gives me love
Love without end
Thank God for this woman, Amen
