

Now Or Never

Digital Summer

Some people spend
Their whole life waiting around
For the chance
To become something else

But if you're not happy
Then just look around
The only one here
To blame is yourself

It's now or never

So don't hesitate to go
With this all the way
'Cause in this life
It's now or never

And don't be afraid to take
Pleasure with the pain
Here it comes
It's now or never

Never gonna stop
Never gonna stop
Never gonna give this up

It's never too late
And don't ever look back
'Cause there's no future
In the past

If you want to change your life
I think you should know
The door is open
But it's closing fast

It's now or never

So don't hesitate to go
With this all the way
'Cause in this life
It's now or never

And don't be afraid to take
Pleasure with the pain
Here it comes
It's now or never

Never gonna stop
Never gonna stop
Never gonna give this up

There's two types of people
That live in this world
So ask yourself
Which type are you?

The type that just needs
To be told what to do
Or the type to make
Your dreams come true

They can all come true
Don't you stop now

It's now or never

So don't hesitate to go
With this all the way
'Cause in this life
It's now or never

And don't be afraid to take
Pleasure with the pain
Here it comes
It's now or never

And don't hesitate to go
With this all the way
'Cause in this life
It's now or never

And don't be afraid to take
Pleasure with the pain
'Cause it's now or never

Never gonna stop
Never gonna stop
Never gonna give this up
