

You cover me

Dillon

Overlapping silhouettes
Scatter hues of grey into the day
We are encompassed by dust and clouds
We illuminate the darkest day

Moving slowly
You cover me
By my side
Out of sight is out of mind

Moving slowly
Uncover me
Left behind
Out of sight is out of mind

Overlapping silhouettes
Scatter hues of grey into the day

Moving slowly
You cover me
By my side
Out of sight is out of mind

Moving slowly
Uncover me
Left behind
