Run To You

Dina Carroll

No one ever said life would be easy
There are days when I paint on a smile
Yet the good time appear when you're with me
Yet you mean so much more in my life

I need your love more than anything
You are my one peace of mind
When I can't deal with my reality
I feel I can't get by

That's when I run to you
When I'm feeling kind of lonely
And I need someone to hold me
Then I run to you
When I need your love to guide me
Need your strength to stand beside me

Then I run, oh I run

People may break my heart and deceive me
But with you, that is not what I fear
You're the truth when my world has no meaning
And I hope that you'll always be here

I need you love more than anything
You're the sweetest part of my life
In your arms is where I want to be
When I feel I can't get by

That's when I run to you
When I'm feeling kind of lonely
And I need someone to hold me
Then I run to you
When I need your love to guide me
Need your strength to stand beside me

I need your love more than anything
You are my one peace of mind
When I can't deal with my reality
I feel I can't get by

That's when I run to you
When I'm feeling kind of lonely
And I need someone to hold me
Then I run to you
When I need your love to guide me
Need your strength to stand beside me
