Yeah you saw, uh, (some of the things/something to think) up to

I think I'll, I think I'll hit town

You fuckface,

I don't really want to know what the fuck you wanted
You've been, you've been a big fuckhead, you

Go on, fuck you, buddy

What's going on tonight
You know, I think I'll split
Alright, catch you later
What do I need to do
To get you out of my town, don't you get it

You fuckhead, you

Get out of my face
Go on you fuckhead, you
You goin up town man

So I'll catch you later, in about an hour or something

Alright, see you later
You fuckhead
Get the fuck out of my town
Get out of my town
I don't want to know what you want
I don't care if you don't like it
