Who controls your mind

There have been changes
No more giving it all for free
There will be changes
Now woman is all you need
A-ah

Here is a number You've been given an another name We will be watching One might fall but you'll all be blamed Shame, shame

Here's big sister
We're big sister
Hear big sister
There's big sister
Dancing on your grave

Who controls your mind Who's in charge of hearts Who controls you time We're in charge of you

There have been changes
Even mother's a soldier now
There have been changes
You can touch 'cause you don't know how
No

Here's big sister
We're big sister
Hear big sister
There's big sister
Dancing on your grave

Pretty faces, young and clean
Watching you from magazines
All they want is something more
Kill the king and then we'll crown the whore

Here's big sister We're big sister Hear big sister There's big sister

Who controls your mind In charge of hearts Controls your time In charge of you

Here's big sister We're big sister Control
