All right Rock and roll, yeah At the end of a dream If you know where I mean When the mist just starts to clear In a similar way At the end of today I can feel the sound of writing on the wall It cries for you It's the least that you can do Like a spiral on the wind I can hear it screamin' in my mind Long live rock and roll Long live rock 'n' roll Long live rock and roll Let it live In a different time When the words didn't rhyme You could never quite be sure Then on with the change It was simple but strange And you knew the feeling seemed to say it all It cries for you It's the least that you can do Like a spiral on the wind I can hear it screamin' in my mind Long live rock and roll Long live rock 'n' roll Long live rock and roll I'm losing control Long live rock and roll Long live rock 'n' roll, yeah Long live rock and roll Look you If you suddenly see What has happened to me You should spread the word around And tell everyone here That it is perfectly clear They can sail above it all on what they've found It cries for you It's the best that you can do Like a sound that's everywhere I can hear it screaming through the air Long live rock and roll Long live rock 'n' roll

Long live rock and roll

```
Let it live, let it live, let it live
Long live rock and roll
Long live rock 'n' roll, yeah
Long live rock and roll
Banners held high with a curse and cry and it's
Long live rock and roll
Long live rock 'n' roll
Long live rock and roll
You feel it around, spread it around, make you what just should
Long live rock and roll
Long live rock 'n' roll
Long live rock and roll
Live, live, live, live
Long live rock and roll
Long live rock 'n' roll
Long live rock and roll
Let it live, let it live, let it live, let it live
Long live rock and roll
```

Long live rock 'n' roll Long live rock and roll
