No excuses out or in
Playing like a mother fuckin champion
When I do this lose or win
Playing like a mother fuckin champion

No excuses out or in
Playing like a mother fuckin champion
When I do this lose or win
Playing like a mother fuckin champion

Nothin in this world
Comes for free
But I'm just trying to get high
Nothin in the sun nobody gave me
Shake it Shake it till it pops out

Nothin in this world

But I'm just try'na get it
I'm just try'na get it,
Try'na get it, try'na get it
Get it, get it, get it, get it
