

Six Pack

Dirty Projectors

Thirty-five dollars and a six pack to my name

Spent the rest on beer so whos to blame

I know it'll be o.k.

I get a six pack in me, alright!

They say Im fucked up all the time

What they do is a waste of time

I know it'll be o.k.

I get a six pack in me, alright!

I was born with a bottle in my mouth

Now I got a six so Ill never run out

I know itlll be o.k.

I got a six pack in me alright!

Thirty-five dollars and a six pack to my name

Spent the rest on beer so whos to blame
