

Love Will Find A Way

Disney

In a perfect world
One we've never known we
Would never need to face the
World alone they can have
Their world we'll create our
Own I may not be brave or
Strong or smart but somewhere
In my secret heart

I know love will find a way
Anywhere I go I'm home if you
Are there beside me like dark
Turning into day somehow we'll
Come through now that I've
Found you love will find a way

I was so afraid now I
Realize love is never wrong
And so it never dies there's
A perfect world shining in
Your eyes
Both: And if only they could
Feel it too the happiness I
Feel with you

They'd know love will
Find a way anywhere we go
We're home if we are there
Together like dark turning
Into day somehow we'll come
Through now that I've found
You love will find a way

I know love will find a way
Anywhere we go I'm home if we
Are there together like dark
Turning into day somehow we'll
Come through now that I've
Found you love will find a way
I know love will find a way
