Someday
When we are wiser
When the world's older
When we have learned
I pray
Someday we may yet live
To live
And let live

Someday
Life will be fairer
Need will be rarer
And greed will not pay
Godspeed
This bright millennium
On it's way
Let it come
Someday

## Someday Our fight will be won then We'll stand in the sun then That bright afternoon Till then On days when the sun is gon-

Till then
On days when the sun is gone
We'll hang on
And we'll wish upon the moon

And someday dark and bitter Seems we haven't got a prayer

But a prayer for something better Is the one thing we all share

## Someday

When we are wiser
When the world's older
When we have learned
I pray
Someday we may yet live
To live
And let live

## Someday

Life will be fairer
Need will be rarer
And greed wil not pay
Godspeed
This bright millennium
Let it come
Wish upon the moon

One day, someday...

## Soon

One day, someday...
I used to believe

In the days I was naive
That I'd live to see
A day of justice dawn
And though I will die
Long before that morning comes
I'll die while believing still
It will come when I am gone

Someday
When we are wiser
When the world's older
When we have learned
I pray
Someday we may yet live
To live and let live

Someday
Life will be fairer
Need will be rarer
Greed will not pay
Godspeed
This bright millennium
On it's way
Let it come someday

Someday
When we are wiser
When the world's older
When we have learned
I pray
Someday we may yet live
To live and let live

There are some days
Black and bitter
It seems we haven't got a prayer

But a prayer for something better

Is the one thing we all share

We all share We all share

We all share...

Someday

Our fight will be one then

We'll stand in the sun then

That bright afternoon

Till then

On days when the sun is gone

Hope lives on

Wish upon the moon

Change will come

One day...

Someday...

Soon
