

Walk With You

Dispatch

and I will walk with you
using the stars as guides
on a homeward path we go
knowing our time is nigh
I, I will walk... to be with you
so put your hand in mine
and lay your head to rest
we'll light the candles now
they won't be lit for long
we'll know our day was blessed

and I will walk with you
using the stars as guides
on a homeward path we go
knowing our time is nigh
I, I will walk to be with you
all that I've done, and all I say
to be with you...
