

Missing U

Divine

I ain't missing you
Don't care what you do
You're the one who left me
Crying sad and lonely
I ain't missing you
What we had is through
I ain't missing you at all
Call me on the phone thinkin' that I'd be home
It's as if you feel that I have no life without you
But I got news for you baby I'm moving on
I ain't singing no sad song yeah yeah

Na na na na na na
Na na na na na na
Na na na na na, na
Na, na, na, na, na, na, hey
'cause I ain't missing you

Repeat 1

I guess you never thought someone could take your palce
Love me better and kiss all the hurt you gave away
Never been happier baby since you've been gone
I ain't singing no sad song, eh

Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na, hey
'cause I ain't missing you

Repeat 1

All the things you put me through
Couldn't be made up in a lifetime
Had to step back and find myself
Now I know, I know how to love so much better

Repeat 1

I ain't missing you
Na, na, na, na, na, na
What we had was through
Na na na na na na
You're the one who left me
Na, na, na, na, na, na
Sad and crying

Repeat above while:

You thought that when you left me
I'd be missing you but it isn't true
You thought that when you left me
I'd be missing you but it isn't true
