

# Gold Dust

DJ Fresh

It's like gold dust  
Ya hear me coming through your speakers  
You see me mashin' up your air waves  
I know you can't get enough of my sound

It's like gold dust  
Ya hear me coming through your speakers  
You see me blaggin' up your air waves  
I know you can't get enough of my sound

There's no place to hurt yourself  
The fight - I'm gonna get it  
Tallest running for me  
Baby, you're gonna regret it  
I can't understand why you can't free yourself, let it

Go, go, go, go

Got you in my Palm, now listen good, you can't escape it  
Bring you to ma world and hold you, see if you can take it  
Don't you be afraid, I know you're strong enough to make it

Go, go, go,

It's like gold dust  
Hear me coming through your speakers  
You see me mashin' up your air waves  
I know you can't get enough of my sound

It's like gold dust  
Hear me coming through your speakers  
You see me blaggin' up your air waves  
I know you can't get enough of my sound

Everything your life's been searching for's in this direction  
Come a little closer  
Don't you feel the intersection?  
We gon' take you down and then we gonna keep you sweating

Go, go, go, go

Take you two around, you never known it's non-existent  
You won't hear it coming, no matter how hard you listen  
Can't predict the highway, bring a replay our position

Go, go, go, go

I don't know where you run from, what you're running from, whoa  
I don't know where you run from, what you're running from, whoa  
I don't know where you run from, what you're running from, whoa  
Oh, you won't bring up yourself on fly

People, put your hands up in the air, I know you like it  
Don't you fight it, I can see you're high and all excited  
Flying through the night, we going up, better hold tight it

Go, go, go, go

Now we got the starline and the g-tha to desire  
Let me see you jump up, come on, with me - let's go higher  
Climbin' up the speakers, we gonna set this place on fire

Go, go, go, it's like...

Gold dust  
Hear me coming through your speakers  
You see me mashin' up your air waves  
I know you can't get enough of my sound

It's like gold dust  
Hear me coming through your speakers  
You see me blaggin up your air waves  
I know you can't get enough of my sound

You keep runnin' and you're runnin'  
And you're runnin' and you're runnin' away, away, away, boy  
You keep runnin' and you're runnin'  
And you're runnin' and you're runnin' away, away, away  
You keep runnin' and you're runnin'  
And you're runnin' and you're runnin' away, away, away, boy  
You keep runnin' and you're runnin'  
And you're runnin' and you're runnin' away

Go, go, go

This is gold dust
