I'm on my way
This goin out to every hoodjavascript
We gonna make it

You can look into my eyes See that I'm dead tired 6:00 in the morning Money still on my mind So if you want it I'm the one to supply Be there in no time I'm on my way-ay-ay... ay-ay-ay Nigga this legendary No ordinary shit No ordinary bitches No ordinary whips 4 bills nigga special like they 30 I cam along way from four steps in section 8 Niggas eatin on these beats Get yourself a plate And I'm a step away One hit, one breath away When you don't got time, you ain't never late Come so victory is here We can celebrate

Ok, I'm on my grizzle On my grind Go ahead try, top my shine I'm on my way, anyday Tell them niggas better have my cake What you think Nigga you ain't Have me laughin all the way to the bank L O L, A M B, O R at the Gini baby Had the chop the top off that bitch Just so they can see me baby Money I get, know that shit Yeah he paid, notice it Sleepin who, no can do Motivation, ocean view How I get it Bitch U trippin Ain't got nuthin to do with you

Victory is on the way
Khaled go in on 'em
Show 'em we gonna win homey
Get off in their skin homey
I've been getting in the streets over 10 years
So you think a nigga pussy cause his ear's pierced
Run up on a nigga pussy if you want to
U gotta best be sure that it go through
Ball Greezy gettin money like he 'posed to
Good dope in the drop like soul food
Big Body, big rims on the old school
Stay fly like a hood nigga 'posed too

Lights off click clack in the pinto Seat back, dick sucked in the Benzo 5% DBs on the Renzo No sleep, gotta eat, gotta get done

It's like I always say
Muthafuka here I come
Another victory for the crib
A couple more before I'm done
And if you asleep you better wake up
And get on your fukin job
Cause I'm takin' everything except a loss
Iceburg goes off, yeah 24/7 I goes on
And I be scared I might miss money
So I don't doze off
I'm a snap and the streets know it
Trick told me keep goin'
An I'm a keep Chiefin as long as god keep the weed growin'

Switch man been to a?
I've been destined to shine
Won't take no for an answer
Fuk nigga gimme mine
Never been selfish for real
I put on my whole city
I went from standing on corners
To autographin' titties
My daddy gave my Virginia's King, A Richmond legend
A wise speaker, a woman pleaser
Broke nigga, reverend
Mr O 10, I get it in
I wear da crown
We da best, tell 'em fuk next
I got downs

You got da cash, then show me

Better not be phoney

Get on my level

Cause they way below me

U ballin? Balogna

Girls ask me what my cologne is

Steel Khakis and Coronas

And I'm mackin' a donkey

Flip the 4 and a half

Do the vert and a left

Bet da ave never seen banks chunky as dat

Why you got pressure?

Cause my Impala got pressure

Beating outside, shaking the dice on my dresser

Is that gun play, Yes Sir!
