So don't try to fuck with a Compton nigga
And I'mma tell you who's Daddy fuck with a trigga
Now Daddy is the nigga getting head from your Mommy
Daddy is the nigga with the gun like a tommy
Daddy is the nigga that you wanna be like
And Daddy is the nigga with your shit on his nikes
So don't be scared just be prepared
For when you dis a nigga that you won't be spared
Little white boy how the fuck you figure
No you can't fuck with a nigga

[Chorus 1:]

(You can't fuck with a nigga)
(Thinking you wanna fade me)
(Mark Killer)

To steal a style from the brother B-real
Then these no-talent fools out here getting breaks
Who the fuck better make these wack-ass tapes
The homie said squash it and just let it slide

But I gotta shoot ěem down in the middle of the ride
I heard your head was big but I can still crush it
Every check you lay you know we have to flush it
Fuck it pass me the brew and let me swig a
Uhh it's the funky white nigga
