

Luv Of My Life

DJ Quik

What I'm drankin' on
Looking for the love of my life, lil drank, lil stank, that's the love of my life,
Not looking for a hussy trying to be my wife, say I'm looking for the cash, that's the love of my life
I'm looking for the love, the love of my life, lil drank, lil stank that's the love of my life
Not looking for a broad trying to be my wife, say I'm looking for a whip, that's the love of my life

Now with a driver I can drink like I'm off the bottle
Martini glass filling, that's off the top
Don't like the talk shop, I'd rather shop and talk
I treat the tags like I treat them clubs, pop em off
A lot of players got the game distorted, if you have to ask how much it cost you can't afford it
Plain and simple cut and dry, right to the chase
Cause sometimes you gotta put them ig-ums in they place
Everybody can't make it to the pros, some rise to the top, others down low
Some ride in the drops, others just drove, that's the way the water flows, if it ain't froze
Look at the brain on the man quick as the dame get the game from my mind to the pin through my hand
And to the streets from the speakers to the mike, that's why I'm so materialistic
I'm tryna buy the luv right

I'm looking for the love of my life, lil drank, lil stank, that's the love of my life,
Not looking for a hussy trying to be my wife, say I'm looking for the cash, that's the love of my life
I'm looking for the love, the love of my life, lil drank, lil stank, that's the love of my life
Not looking for a broad trying to be my wife, say I'm looking for a whip, that's the love of my life

Panamera Porsche, Maserati copy painting, diamonds from Chris Aire, too awesome ain't it
Middle finger in the air for the disses, and Tiffany jewelry for the misses
Orange bottle champagne tilt green blue, clicko and Dom Perignon we too
Turn the music up so loud it bleed through, the bang out that's exactly what he do

He get his style from the city of Compton fuck the doorbell, he get to knocking on something
Whip out on these haters get the blocking on something
Take my girl home and get to locking on something or something
Yeah, that's my ghetto mentality, I made it reality and it made me a salary
So I know just why you haters are mad at me
My life is a strategy, while your life is a tragedy, that's why I'm looking

Looking for the love of my life, lil drank, little lil stank, that's the love of my life,
Not looking for a hussy trying to be my wife, say I'm looking for the cash, that's the love of my life
I'm looking for the love, the love of my life, lil drank, lil stank, that's the love of my life,

Not looking for a broad trying to be my wife, say I'm looking for a whip, that's the love of my life

I'm looking for the new love of my life, bein CL6 skin all tan and with the insides
color of beach sand, it's such a beautiful sight, just like Amber Rose the way she sits at the light
hit a pose I let her pause for the cause, camera shows, 50k watch just so they go
jury go bananas so they go apes I'm making love to the money like a sex tape
I travel onward, on to the next state, makin that big cake but no wedding day
I'm so hood rich, and luv to cash out and tear malls down
yeah, spaze out and throw it in the bags and bring bags out
full throttle whips, yeah smash out, newest space for my house got another house
I gotta make money

Looking for the love of my life, lil drank, lil stank, that's the love of my life,
Not looking for a hussy trying to be my wife, say I'm looking for the cash, that's the love of my life
I'm looking for the love, the love of my life, little drank, little spank, that's the love of my life
Not looking for a broad trying to be my wife, say I'm looking for a whip, that's the love of my life.
