

# Lord Give Me a Sign

DMX

Yeah..Uh  
In the name of Jesus  
(that's right)  
No weapon formed against me shall prosper  
(preach)  
And every tongue that shall rise against me in judgment thou shalt condemn  
(preach)  
(Lord give me a sign)  
For this is the heritage of the servants of the Lord  
(preach)  
and their righteousness is of me, saith the Lord.  
(preach)  
Amen

Lord Give me a Sign!  
I really need to talk to you Lord  
Since the last time we talked the walk has been hard  
Now I know you haven't left me  
But I feel like I'm alone  
I'm a big boy now but I'm still not grown  
And I'm still going through it  
Pain and the hurt  
Soaking up trouble like rain in the dirt  
And I know!  
Only I can stop the rain  
Wit just the mention of my saviors name  
IN THE NAME OF JESUS!  
Devil I rebuke you for what I go through  
And trying make me do what I used to  
But all that stops right here  
As long as the Lords in my life I will have no fear  
I will know no pain from the light to the dark  
I will show no shame spit it right from the heart  
Cause its right from the start  
But you held me down  
And ain't nothing they can tell me now  
Lord give me a sign!

Let me know whats on your mind  
Let me know what I'm gone find  
It's all in time  
Show me how to teach the mind  
Show me how to reach the blind  
Lord give me a sign!

Show me what I got to do  
To bring me closer to you  
Cause I'm gonna go through  
What ever you want me to  
Just let me know what to do  
Lord give me a sign!

Please show me something  
I'm tired of talking to him  
Knowing he fronting  
Crying bout life ain't nothing  
But you either be the one mad cause you trapped, or the one hunting

Trapped in your own mind waiting on the Lord  
Or hunting wit the word that cuts like a sword  
The spoken word is stronger than the strongest man  
Carries the whole world like the strongest hand  
Through the trials and tribulations you never let us down  
JESUS!

I know your here with us now

JESUS!

I know your still wit us now

Keep it real wit us now

I wanna feel show me how

Let me take your hand, guide me

Ill walk slow but stay right beside me

Devil's tryna find me

Hide me, hold up I take that back

Protect me and give me the strength to fight back!

Let me know whats on your mind

Let me know what I'm gone find

It's all in time

Show me how to teach the mind

Show me how to reach the blind

Lord give me a sign!

Show me what I got to do

To bring me closer to you

Cause I'm gonna go through

What ever you want me to

Just let me know what to do

Lord give me a sign!

Life or death

Live or die

I will never live a lie

I'm going there cause I try

I wont quit until I die

I'm gone make it wrong or right

Make it through the darkest night

When the morning comes you'll see

All I have is God in me

(Lord give me a sign!)

No weapon formed against me shall prosper

For this is the heritage of the servants of the Lord

In the name of Jesus

Lord give me a sign

Amen
