Dog Eat Dog

Whooooee my dogs - did you see that? Yeah! pushing that stroller in that skirt with those shoes? Mmm gawd damn!

I see it - don't believe it I feel it jealousy creeping I know you're taken someone's loved one and that's a tough one I seen you out with your child the thought is driving me wild can't believe that body had a baby daydreams making me crazy

tease me, please me I want you to need me you can beat me, treat me I want you to freak me I'm living for the hope, it's crazy I know that it's dirty and I'm filthy but I'm looking for a MILF

MILF MILF MILF mother I'd like to fuck- MILF MILF MILF (that's right) mother I'd like to fuck- MILF MILF MILF (I said it) mother I'd like to fuck- MILF MILF a mother

back up - I feel ashamed you don't know my name would you play the game? I would never wreck a happy home do you feel alone? are you in the zone? the only one that I need my homies don't believe me society says it ain't right but I wanna do you all night

It's a dirty job, but someones got to do her

I see you at the supermarket and the shopping mall I saw you on the internet where you show it all I know you're just a fantasy cause you're someone's mom how something that feels so right could be so wrong?

I saw your mommy and your mommy's hot I saw your mommy and your mom's a MILF
