

# Pussy Champion

Dolla

Pussy champion, pussy champion

Pussy champ

Ohh god dame

All the bad women know who I am

Got a ring in my room where I work on my jams

I could give you fast combinations like zapple

Bite it like Miketon, Down goes Frazer

She throwing down her towel but the ref can't save her

Undefeated recorded, all by the way I knock out

I be beating on that pussy 'till I make that pussy tap out

Coming out the ropes like take that

We can do it by the mirror if you like that

Do it like a speed bag BA BA BA BA

Then long hard strokes like TA TA TA

Pussy champion, pussy champion

I'm a pussy champ and not a pussy champ

I be making hoes right out, I went to pussy camp

We can do it near the light near the pussy lamp

Make her put my name on, get a pussy stamp

Well I'm a motherfucker daughter, sister, auntie and niece

Fuck a stripper, lawyer, doctor and sometimes police

Fuck have your homegirl saying dame he a beast fucker

Ya man lame, I'm a make you wanna leave the sucka

Face down, better work on your arch

I explore that pussy, touching each and every part

Destroy that pussy have you screaming for help

Throw my hands in the air put on my champion belt

Pussy champion, pussy champion, pussy champion

I make the pussy say OH

Make the pussy say AH

I tell that pussy HI then I tell that pussy BYE

I tell that pussy COME then I tell it when to STOP

Then I tell it when to GO then I tell it WHEN NOT

I tell it when to DRIP DRIP DROP

Then I tell it to pick it up DONT STOP

Drop the pussy, pop that pussy

Let me see the pussy pop

Round 1, round 2

Hope you make it that far

Make it that far

I got so far deep in that

I have you screaming out loud

Screaming out loud oh lord can't take it no more

God dame she sore
