

## Pussy Pleaser

Dolla

Pussy pleaser, pussy pleaser  
Giving women the fever  
Make love to her mind leave her with amnesia  
A house keeper bitch I let her clean my place up  
And she don't speak English but she know I'm a great fuck  
A dread lock diva always tell me to blaze up  
She smoking while I'm stroking, love to twist that haze up  
A hood-rat chick she don't wear no make-up  
Cause she already know I'm give her a facial  
A hair dresser chick always fucking my braids up  
So after we fuck I make her fix my braids up  
A vegetarian and she say she don't eat meat  
But every now and then she put her mouth on me  
Got a stripper from Atlanta with a big ass butt  
She say I gotta make it rain before she let me fuck  
I got a vilameans chick, I meet her at 12  
And after I'm done she do my boo-she bitch toe nails  
Got a bitch on parole, she just got out of jail  
I don't trust her in my house so we meet at the Tell  
I got a bitch from New York she be calling me son  
Until I beat it like her daddy now she call me the one  
I got a girl that graduated she just turned 18  
Got a bitch with tattoo's all over her frame  
She in love with a nigga so she tatted my name  
Got a bitch with short hair like the old Lil' Kim  
But you gone get dick tonight you are not Lil' Kim  
I got women with light skin and women with dark  
Sometimes we role play but I don't stick to my part  
I be way to excited "Girl your make me hot! "  
Lay your ass on this bed and get a pussy massage  
I got a plus size bitch, not because of her looks  
Cause after I bet her down she get in there and cook  
I got a cop-cop-cop-cop police bitch  
We don't hang out much, I hate that police shit  
I got a runway-runway-runway gal  
She always write me dirty letter's, she's a freak pen pal  
I got a bitch I been knowing way before this rap shit  
And she don't call me Dolla she be screaming my government  
A bitch 45 she be wearing granny-draws  
But she be tripping all the time it must be the menopause  
Got women different places, all over the world  
And they all keep in touch of how I make the toe's curl
