

Sex Slave

Dolla

I'm looking for my sex slave

Come be my sex slave

I'll behave

You need to call your job and take for the day

I'll make you wanna stay

Teach you 4 play

Step into my room I do you all kind of ways

Sex slave (sex slave), sex slave (sex slave), sex slave (sex, sex, sex)

Sex slave (sex slave), sex slave (sex slave), sex slave (sex, sex, sex)

Baby doll your so flawless

I need you with me

I'll give you my all

Tell her I'm card less

Take you in me deep

I'll go back, back and forth

Left to right 'till you get sore

Let you know it's yours, it yours

Come be my sex slave

I'll behave

You need to call your job and take for the day

I'll make you wanna stay

Teach you 4 play

Step into my room I do you all kind of ways

Sex slave (sex slave), sex slave (sex slave), sex slave (sex, sex, sex)

Sex slave (sex slave), sex slave (sex slave), sex slave (sex, sex, sex)

Day and night I might

I'll invite let's Do-it-right

You could spend the night or you could spend some days

Walk around the house being my sex slave

We could blow haze's

We could drink too

Got some freaky things I'm trying to do to you

We do it on your hands or maybe all fours

Baby let me see you make your hands touch your toes

Come be my sex slave

I'll behave

You need to call your job and take for the day

I'll make you wanna stay

Teach you 4 play

Step into my room I do you all kind of ways

Sex slave (sex slave), sex slave (sex slave), sex slave (sex, sex, sex)

Sex slave (sex slave), sex slave (sex slave), sex slave (sex, sex, sex)

Know what I'm talking about baby

I could be your umm (sex slave)

I mean you could by my umm (sex slave)

Yeah sex slave know what I'm talking about

We could get into some sex slave type of shit know what I'm talking about

Bring the whips out and all that type of shit

If you ain't in to that I'm into that know what I'm talking about

It's whatever you like know what I'm talking about

I'm just swirling your world baby

I need a sex slave
