

# Takin' A Chance On You

Dollar

Thereza Bazar / David Van Day)

You don't have to say a word  
I've seen it in your eyes  
I wanna be touching you  
And now that you've realized  
I see it in your smile  
You wanna be holding me too

So don't try to say the things you feel inside  
Baby just hold on tight  
If the feelings right  
Stay with me and we can share the night

'cause I'm takin' a chance on you  
Yes I'm takin' a chance on you  
Don't go breaking my heart in two  
I'm takin' a chance on you

It's hard to know what to say  
When the hour slips away  
Wanna be holding you more  
I know that you have to go  
But I want you to know  
Never had this before

So don't try to say the things you feel inside  
Baby just hold on tight  
If the feelings right  
Stay with me and we'll share the night

'cause I'm takin' a chance on you  
Yes I'm takin' a chance on you  
(Don't you go) breaking my heart in two  
I'm takin' a chance on you

Takin' a chance on you  
Takin' a chance on you

So don't try to say the things you feel inside  
Baby just hold on tight  
If the feelings right  
Stay with me and we'll share the night

Takin' a chance on you  
Yes I'm takin' a chance on you  
(Don't go) breaking my heart in two  
Takin' a chance on you

Takin' a chance on you (takin' a chance on you)  
Takin' a chance on you (breaking my heart in two)  
Repeat to fade
