

# Time for Me to Fly

Dolly Parton

I've been around for you  
Been up and down for you  
But I just can't get any relief  
I've swallowed my pride for you  
I've lived and lied for you  
But you still make me feel like a thief  
You've got me stealing your love away  
'Cause you never give it  
Peelin' the years away  
And we can't relive it  
I make you laugh and you make me cry  
I believe it's time for me to fly

Time for me to fly  
I've got to set myself free  
Time for me to fly  
That's how it's got to be  
I know it hurts to say goodbye  
But it's time for me to fly

You said we'd work it out  
You said that you had no doubt  
I thought we were really in love  
Oh but I'm tired of holding on  
To a feeling I know is gone  
I do believe I've had enough  
I've had enough of the falseness  
Of a worn out relation  
Enough of this jealousy and intolerance  
I wonder why I even try  
I believe it's time for me to fly

Time for me to fly  
I've got to set myself free  
Time for me to fly  
That's just how it's got to be  
I know it hurts to say goodbye  
But it's time for me to fly  
Time for me to fly

Time for me to fly  
I got to set myself free  
Time for me to fly  
That's just how it's got to be  
I make you laugh and you make me cry  
I believe it's time for me to fly  
Time for me to fly  
That's how it's got to be  
I know it hurts to say goodbye  
But it's time for me to fly
