

In The Garden

Dolores O'Riordan

I see you playing
In the garden

Outside my window
Oh, oh oh

You're like your father
I see right through you

Just like your father
I thought I knew you

Oh, oh oh, oh

It's a panic
In paradise

It's a panic
It's in paradise

(Round and round, and round)
(And round, and round)

You can't come here
You can't cry

(Round and round, and round)
(And round, and round)

You can't come here
You can't cry

(Round and round, and round)
(And round, and round)

I see her playing
In the garden

I was once like her
You did this to me

I don't remember
When this offense begun

I don't remember
I can't undo what's done

(Round and round, and round)
(And round, and round)

You can't come here
You can't cry

(Round and round, and round)
(And round, and round)

You can't come here

You can't cry

(Round and round, and round)
(And round, and round)

You can't come here
You know why

(Round and round, and round)
(And round, and round)

You can't come here
You know why

(Round and round, and round)
(And round, and round)

I'll keep my secret
With me until I die

I'll keep my secret
And I don't know why

(Round and round, and round)
(And round, and round)

You can't come here
You can't cry

(Round and round, and round)
(And round, and round)

You can't come here
You know why

(Round and round, and round)
(And round, and round)

I can't go there
I won't cry

(Round and round, and round)
(And round, and round)

I can't go there
I won't cry

(Round and round, and round)
(And round, and round)....
